A WORD FROM OUR PASTOR

Are you older than 55? Or do you plan to one day be? Then I have an invitation that you can't afford to pass up.

Starting this Wednesday night at 6:30 I will be leading a six week series entitled "Flourishing in the Third Third of Your Life."

It is biblically based and I have heard from others who have participated in it that it made a huge difference in the living out of their later years.

I'm one of you, having turned 70 this year. My goal is to keep growing, to continue to have a curiosity about life, and to not rust out. Look at Scripture--no, you're not going to live hundreds of years as some did. But the real issue is are you going to just be living but not alive in the third third of your life.

The choice is yours. Life lived large and long or life trying to make it to the end of the week? Hope your answer is the right one.

Brave Journey,
Bill
