*Worship the LORD with gladness;  
come before him  
with joyful songs.*

Psalm 100:2, NIV

command to be followed as some duty or requirement, but is rather a holy invitation to unite your souls with something and Someone greater than yourselves.

So how did you answer the question....and what does that say for the condition of your soul? Worship, faithful attendance, is not just to get the box checked for being a good church member. It is to give God your adoration, to give yourself attention to something deeper.

I really, really hope we will worship this Sunday....but watch for the updates if not....and pray for good weather. I will miss you if not.

Brave Journey,  
Bill
