A WORD FROM OUR PASTOR

Wednesday night time together is a special experience. A wonderful assembly of fellow church members coupled with an intentional time of growing in spiritual faith.

Next Wednesday, March 4, I will begin a new series and I encourage you to take advantage of it.

This series is all about Heaven and is based on a study by Jennifer Rothschild, an incredible Bible teacher who happens to be blind.

Heaven, who goes there? How can we know the truth about what comes next? What's true about Heaven versus what's based on legend, media depictions, and hopeful guesses. Not only will you gain a deeper understanding of what God has prepared for us, but also learn how to live with confidence as you look forward to what awaits us all.

Doesn't that sound needed and even encouraging for that final destination that awaits us all but for all we have been told and taught, there is still a mystery that we long to have confidence about.

Come on out---I always say Sunday to Sunday is too long to not be with your church family. We meet at 6:30, pray for those in our church family, and learn new truths.

Brave Journey,
Bill
